Summary

1. The new regulation to register EAC Declaration of Conformity has been enforced July 1, 2018. The new regulation does not affect all declarations that have been issued and registered up to this point.
2. The declaration can be updated without any new documentary set in the following cases below:
 - if there are some typographical errors in DoC form;
 - if applicant company's legal form, address, phone number, e-mail would be changed;
 - if manufacturer company's legal form, address, phone number, e-mail would be changed;
 - if HS code changed;
 - if factory numbers would be reduced.
3. From July 01, 2018 the documentary set shall obligatory contain copy of test reports in accordance with national or CU standards (GOST R, STB, GOST KZ etc)
4. The federal register has been updated so that's impossible to register EAC DoC if all necessary CU test reports in accordance with national or CU standards is not uploaded.
5. From Sept 01, 2018 when DoC is registered in accordance with 3d scheme, the CU test reports should be automatically checked for legitimation purposes before DoC would be registered.
