

TECHNICAL REGULATION ANNOUNCEMENT

Title EAC/GOST DoC registration procedure changed

Date Dec 12, 2020

Technical Regulation scope CU/EAEU TR, EAC/GOST marking

Hereby we inform you that EAC/GOST DoC registration procedure changed in accordance with Economic development ministry regulation from 2020/07/31 N 478 — it's 2-nd time in the last few months. After 2021/01/01 the foreign manufacturer should obligatory specify the following additional information when apply EAC DoC or GOST DoC:

1. Global Location Number (GLN);
2. Global Trade Item Number (GTIN).

Additionally we should inform you that federal authority is going to charge an extra fee to register DoC that's why the lead time probably could become a little longer and the registration procedure more expensive.
